

COVID-19 UPDATE

18 March 2020, Bath, UK

Here at Inspecs Group plc headquarters, we wanted to let you know that we are following the latest UK government guidance on how to help contain the spread of the Coronavirus (COVID-19) and are taking all necessary steps to ensure the health, safety and wellbeing of our staff, customers and suppliers.

We have implemented home working for employees and we are ensuring our systems and processes can carry on as normal, as much as this is possible. We recognize that there is a lot of uncertainty at the moment, and we are committed to working with our customers, brands and suppliers to minimize the impact on all of them.

Whilst we are having to adapt our working practices to deal with this ever-changing situation, please be assured that our ongoing values and goals remain the same - great eyewear, made by great people.

As you can imagine, we are keeping the situation under close review and any queries should be directed as follows:
